ACTION: Richard Esseck moved to approve the January 15, 2014 meeting minutes with the noted corrections. Sandra Collins seconded; motion passed unanimously.

II. NEW BUSINESS

A. Gilchrist County Transportation Disadvantaged Service Plan Amendment

Ms. Lynn Godfrey, North Central Florida Regional Planning Council Senior Planner, stated that the Board must review and approve the Transportation Disadvantaged Program service rates annually for inclusion in the Gilchrist County Transportation Disadvantaged Service Plan. She said Suwannee River Economic Council's proposed Fiscal Year 2014/15 Transportation Disadvantaged Program service rates are included in the meeting materials.

Mr. Matthew Pearson, Suwannee River Economic Council Executive Director, explained that the proposed rates increased because of changes to the Medicaid Non-Emergency Transportation Program. He stated that they expect a significant decrease in Medicaid transportation revenue beginning May 1, 2014. He said, once he has a better idea of how much Medicaid transportation revenue they will receive, he will amend the rates if necessary and bring the amended rates back to the Board for review and approval.

Mr. Pearson also noted said Suwannee River Economic Council will temporarily take transportation requests directly from Medicaid beneficiaries during the transition to the Transportation Management Organizations in order to assist individuals who are not aware of the Medicaid Program changes.

The Board reviewed Suwannee River Economic Council's proposed Transportation Disadvantaged Program Service rates.

Mr. Richard Cummings asked for clarification regarding the rate increase.

Mr. Esseck asked why the labor expense increased.

Mr. Pearson said Suwannee River Economic Council will be hiring more drivers and increasing their pay.

Mr. Pearson explained that Suwannee River Economic Council's expenses are not decreasing, however, their projected revenue from the Medicaid Program is decreasing.

ACTION: Richard Esseck moved to amend the Gilchrist County Transportation Disadvantaged Service Plan to include Suwannee River Economic Council's FY 2014/15 Transportation Disadvantaged Program service rates. Sandra Collins seconded; motion passed unanimously.

B. U.S.C. 5311 Grant Application

Ms. Godfrey stated that the Board is required to review all applications for public transportation project funds for Gilchrist County. She said Suwannee River Economic Council's application for 5311 Grant funds is included in the meeting packet for the Board's review.

Ms. Sandra Collins explained that the U.S.C. Section 5311 Grant Program is a formula grant program that provides capital and operating funding assistance in non-urbanized areas to Community Transportation Coordinators.

The Board reviewed the grant application.

C. Florida's Managed Medical Assistance Program

Ms. Alana McKay stated that approximately 85 percent of Medicaid Program beneficiaries will transition to managed care on May 1, 2014. She said it will be the responsibility of the Health Maintenance Organizations to provide transportation services to Medicaid Program beneficiaries. She explained that the Health Maintenance Organizations in Medicaid Region 3 have contracted with Transportation Management Organizations for the provision of Medicaid Program transportation services.

Mr. Pearson said Suwannee River Economic Council has contracted with three Transportation Management Organizations for the provision of Medicaid transportation service. He said the Transportation Management Organizations will be responsible for taking Medicaid trip reservations beginning May 1, 2014. He said he expects the Medicaid beneficiaries to be confused during the transition phase. He stated that Suwannee River Economic Council will continue to provide Medicaid transportation as long as it doesn't become a financial burden to the agency.

D. Operations Reports

Ms. Godfrey stated that the operations reports for the fourth quarter of 2013 are included in the meeting packet for the Board's review. She said there is no action required on this agenda item.

The Board reviewed the operations reports.

- (3) The Grievance Committee and the Board shall have the authority to hear and advise on grievances. When an entity makes a determination of the rights, duties, privileges, benefits, or legal relationships of a specified person or persons, it is exercising "adjudicative" or "determinative" powers. Deciding a grievance between two independent parties may fall within these parameters, depending on the nature of the grievance. Chapter 427, Florida Statutes grants no adjudicative powers to anyone.

E. Membership

- (1) The Chair, subject to approval by the Board, shall appoint five (5) voting members to a Grievance Committee. The membership of the Grievance Committee shall include broad geographic representation from members of the local Coordinating Board representing the counties in the service area.
- (2) Term limits on the Grievance Committee may coincide with term limits on the Board.

F. Officers

- (1) The Grievance Committee shall elect a Chair and Vice-Chair.

G. Meetings

- (1) The Grievance Committee may meet as often as necessary to fulfill their responsibilities. The Grievance Committee may meet following Board meetings to hear complaints and grievances. All meetings will function under the "Government in the Sunshine Law." All meetings will provide opportunity for public comments on the agenda.
- (2) Notice of Meetings. Notices and tentative agendas shall be provided to the Florida Commission for the Transportation, Committee members and other interested parties at least two weeks prior to the meeting. Meeting notices shall include the date, time, location, general nature/subject of the meeting, a contact person and phone number to call for additional information and to request accessible formats. Notices and agendas shall be sent to all Grievance Committee members and other interested parties at least two (2) weeks prior to each Grievance Committee meeting. Such notice shall state the date, time and the place of the meeting.
- (3) Quorum. At all meetings of the Grievance Committee, the presence in person of a majority of the voting members shall be necessary and sufficient to constitute a quorum for the transaction of business. In the absence of a quorum, those present may, without notice other than by announcement at the meeting, recess the meeting from time to time, until a quorum shall be present. At any such recessed meeting, any business may be transacted which might have been transacted at the meeting as originally called.
- (4) Voting. A majority vote is required for actions by the Grievance Committee. As required by Section 286.012, Florida Statutes, all Grievance Committee members, including the Chair, must vote on all official actions taken by the Grievance Committee except when there appears to be a possible conflict of interest with a member or members of the Grievance Committee.

- (5) Conflict of Interest. In accordance with Chapter 112 (Part III), Florida Statutes, "No county, municipal, or other public office shall vote in an official capacity upon any measure which would inure to his or her special private gain or loss, or which the officer know would inure to the special private gain or loss of a principal by whom he or she is retained, of the parent organization or subsidiary of a corporate principal which he or she is retained, of a relative or of a business associate. The officer must publicly announce the nature of his or her interest before the vote and must file a memorandum of voting conflict on Ethics Commission Form 8B with the meeting's recording officer within 15 days after the vote occurs disclosing the nature of his or her interest in the matter."

In cases where a grievance involves the private or personal interests of a member of the Grievance Committee, such member shall be disqualified from hearing such grievance. If a Grievant claims a conflict between the Grievant and a Grievance Committee member, the Grievance Committee member identified as having a conflict shall recues themselves from hearing the grievance. No member of the Grievance Committee shall appear before the Grievance Committee as an agent or attorney for any person.

- (6) Proxy Voting. Proxy voting is not permitted.
- (7) Parliamentary Procedures. The Grievance Committee will conduct business using parliamentary procedures according to Robert's Rules of Order, except when in conflict with these Grievance Procedures.

H. Administration

- (1) Staff Support. The North Central Florida Regional Planning Council shall provide the Grievance Committee with sufficient staff support and resources to enable the Grievance Committee to fulfill their responsibilities.
- (2) Minutes. The North Central Florida Regional Planning Council is responsible for maintaining an official set of minutes for each Grievance Committee meeting.

The Community Transportation Coordinator's written response shall be provided to the Grievance Committee at least one week prior to the Grievance Committee meeting to hear such grievance.
- (8) If the Complainant does not want to be contacted by the Community Transportation Coordinator concerning the grievance before the grievance is heard, the Community Transportation Coordinator is prohibited from contacting the Complainant.

- (3) The Board will meet to hear the appeal and render its recommendation within thirty (30) calendar days of the date the appeal was filed. A written copy of the recommendation will be mailed to all parties involved within ten (10) calendar days of the date of the recommendation.

- (5) The Florida Commission for the Transportation Disadvantaged also has an Ombudsman Program to assist individuals with complaints. The toll-free Ombudsman Hotline is 1-800-983-2435. Chapter 427, Florida Statutes does not expressly confer the power or authority for the Florida Commission for the Transportation Disadvantaged to "hear and determine" a grievance between two (2) third parties. The Florida Commission for the Transportation Disadvantaged may choose to listen to grievances and it can investigate them from a fact-finding perspective. It cannot be the "judge" or "arbiter" of the grievance in the sense of determining that one party's version of the facts is right and the other is wrong, and order the wrong party to somehow compensate the right party. On the other hand, the grievance may bring to light a problem within "the system."

- (6) If the grievance showed that one (1) of the parties with whom the Florida Commission for the Transportation Disadvantaged contracts was acting so aberrantly as to not be in compliance with its contract, the Florida Commission for the Transportation Disadvantaged could exercise whatever contractual rights it has to correct the problem.
- (7) The Florida Commission for the Transportation Disadvantaged may take part in the grievance process, if it wants to, for purposes of listening to the grieving parties and gathering the facts of the matter. It may not decide the grievance, where doing so would amount to an exercise of adjudicative powers.

L. Medicaid Non-Emergency Transportation Program Grievance System

- (1) If the Community Transportation Coordinator provides Medicaid Non-Emergency Medical Transportation through a contract with the Florida Commission for the Transportation Disadvantaged, the Board's Grievance Committee shall be responsible for responding to grievances and appeals through the Medicaid Grievance System. A Medicaid Expedited Appeal Committee must also be established to address expedited appeals.
- (2) The Florida Commission for the Transportation Disadvantaged Medicaid Grievance System is attached as Appendix A.

M. Suspension Reconsideration

- (1) If a rider has been issued a notice of suspension of service by the Community Transportation Coordinator, they have ten (10) calendar days from the date of issuance of suspension notice to request a reconsideration hearing on the suspension. If a reconsideration hearing is requested, the hearing will be held by the Grievance Committee if the suspension involves transportation provided under Florida's Transportation Disadvantaged Program.
- (2) The written request must include the name, address and telephone number of the person who is requesting the hearing and a statement as to why his or her riding privileges should not be suspended. If the request is not received within ten (10) calendar days from the issue date of the suspension, then the suspension becomes effective ten (10) calendar days from the date of issue.
- (3) Upon receipt of letter requesting the reconsideration hearing, a hearing shall be held within ten (10) working days. The North Central Florida Regional Planning Council will advise the person requesting the reconsideration hearing by return correspondence of the date, time and location of the hearing.
- (4) The person will be given the opportunity to present the reasons why they believe the suspension should not take place. The Grievance Committee will make a recommendation whether or not to uphold the suspension. A written statement of the recommendation shall be forwarded to the person requesting the hearing within two (2) working days after the hearing by the Grievance Committee. A written statement of the decision whether or not to uphold the suspension shall be forwarded by certified mail within two (2) working days by the Community Transportation Coordinator to the person requesting the hearing.

N. Prohibition Against Retaliation

The Community Transportation Coordinator shall not take any punitive action against an individual who files a grievance. No individual shall be denied Transportation Disadvantaged Program services because such individual has filed a grievance related to Florida's Transportation Disadvantaged Program or has testified or is about to testify in any such proceeding or investigation related to Florida's Transportation Disadvantaged Program.

O. Alternative Recourse

Apart from these grievance processes, aggrieved parties with proper standing may also have recourse through Chapter 120, Florida Statutes, administrative hearings process or the judicial court system.
