RECOMMENDATION

No action required. This agenda item is for information only.

BACKGROUND

The Florida Commission for the Transportation Disadvantaged is seeking support of the Governor’s recommended \$10 million in additional budget authority to the Transportation Disadvantaged Trust Fund for Fiscal Year 2022-23. \$4 Million would expand existing Transportation Disadvantaged Program services around the state. \$6 Million would support Transportation Disadvantaged Program services that enhance access to quality-of-life activities and expand regional (cross-county) mobility options.

If you have any questions concerning this matter, please contact John Irvine, Florida Commission for the Transportation Disadvantaged Project Manager, at 850-410-5712 or John.Irvine@dot.state.fl.us

2022 Legislative Priorities

Support the Governor's Recommended **\$10 Million in Additional Budget Authority** to the TD Trust Fund for Fiscal Year 2022-23:

- ☑ **\$4 Million would expand existing transportation disadvantaged (TD) services around the state, funded under the Trip & Equipment (T&E) Grant Program.**
- ☑ **\$6 Million would support new, innovative TD services that enhance access to quality of life activities and expand regional (cross-county) mobility options.**

Message to Stakeholders of the TD Program:

The House/Senate proposals do *not* include additional budget authority for the T&E Grant. The Senate however *does* include the \$6 million request for innovative TD services.

If the Legislature does not approve the \$4 million request, 44 counties will experience a *reduction in TD funding* due to a change in the T&E Grant formula, including:

- ☒ **\$636,729 (14.9% decrease) to the Orlando Service Area;**
- ☒ **\$355,282 (16.7% decrease) to the Jacksonville Service Area; and**
- ☒ **\$255,758 (7.5% decrease) to Palm Beach County.**

The \$4 million request is supported by existing and projected revenues to the TD Trust Fund. It only requires an increase in legislative budget authority:

- The trust fund revenues have continued to *increase* (by \$4.9 million since FY17-18) while the Legislature has *decreased* the budget authority (by \$5.6 million since FY18-19) to the CTD Grant Programs (as illustrated by the chart on the back of this page).¹

Please share this information with your local legislative delegation and request that they support **\$10 million in ADDITIONAL BUDGET AUTHORITY** to the TD Trust Fund!

¹ The revenues and appropriation amounts represented on this chart do not include the funding that came out of the Multi-Use Corridors of Regional Economic Significance (M-CORES) program, which was repealed by the 2021 Legislature (SB 100).
