He noted that the Executive Committee also recommends authorizing the expenditure of up to $2,000 to support the activities of the association of regional planning councils.

**ACTION:** Mayor Davis made the motion, with a second by Commissioner Montgomery, to approve the recommendation of the Executive Committee. The motion carried unanimously.

C. Regional Planning Committee - Chairman’s Report

Mr. Dopp reported that the Regional Planning Committee had met and reviewed proposed amendments to the regional plan’s Economic Development Element. No action was taken on this item.
B. Economic Development Programs - Miscellaneous Information

Mr. Justice reported that the clam nursery in Dixie County was doing well. He noted that there was a need for a hatchery to be built, because there were concerns that building a processing plant, as originally planned, would interfere with private enterprise, Levy County was being looked at as a possible location for the hatchery.

Mr. Justice reported that a tourist guide for north central Florida, produced by the Tourism Task Force, was in the process of being printed. He also noted that the Alachua West DRI was having some problems with the transportation analysis.

Mr. Justice reported that there were some drainage problems on the Council property, due to runoff from a neighboring business. He noted that he was in discussion with the property owner, and he would update the Council as needed during future meetings.

Mayor Kirkland announced that the next meeting of the Council was scheduled to be held at the Holiday Inn in Lake City on April 26, 2001.

With no further business to come before the Council, the meeting adjourned at 8:34 p.m.
