B. Clearinghouse Committee - Chairman’s Report

**Local Government Comprehensive Plan Amendments**

Mr. Philman stated that the Clearinghouse Committee reviewed three Committee-level items which require action.

A fourth, Item, #66, City of Starke Comprehensive Plan Adopted Amendments, was tabled by the Committee based on a letter from DCA which found the City’s plan amendment submittal package to be incomplete. The Committee, therefore recommended that the item be tabled until such time as DCA finds the City’s submittal package to be complete.

The Committee reviewed two adopted Comprehensive Plan Amendments; Item #56, from Hamilton County, and Item #64, from the City of Newberry.

The Committee concluded that the Comprehensive Plans of both local governments, as amended, will remain consistent with the regional plan. The Committee recommended forwarding the findings to the respective local governments and the Florida Department of Community Affairs.

Mr. Philman reported that the Committee also reviewed Item #58, Bradford County Comprehensive Plan Draft Amendment.

He noted that the Committee found the Bradford County Draft Amendment did not adversely affect natural resources of regional significance, regional facilities, or adjacent
local governments. The Committee recommends forwarding this finding to Bradford County and the Florida Department of Community Affairs.

**ACTION:** Mr. Philman made the motion, with a second by Commissioner Martin, to approve the recommendations of the Clearinghouse Committee. The motion carried unanimously.
