VI. COMMITTEE REPORTS

A. Executive Committee

1. Employee Dental Insurance

Mr. Koons reported that at the July 26, 2012 Council meeting, the Council voted to change dental insurance to a voluntary insurance premium for both employee and dependent coverage with the employees paying 100 percent of the premium effective September 1, 2012. He added that for the period beginning September 1, 2011, United Healthcare dental coverage was under Plan P3416, which required a minimum of 75 percent of employees to be enrolled in the Plan. Since less than 75 percent of employees opted to renew dental coverage with Plan P3416, alternative plans with comparable coverage were reviewed for dental insurance that only require at least two employees to enroll. Mr. Koons stated that the Executive Committee recommended that Plan F5430 be offered as the voluntary dental plan for the period beginning September 1, 2012.
ACTION: Commissioner Wells made the motion, with a second by Commissioner Thomas to approve offering United Healthcare dental insurance Plan F5430 as a voluntary option for both employee and dependent coverage with the employees paying 100 percent of the premium effective September 1, 2012. The motion carried unanimously.

2. Medicare Insurance

Mr. Koons reported there are three Council employees that will reach the age of 65 during the 12-month health insurance plan year that begins September 1, 2012. He added that once individuals reach the age of 65, they are required to register for Medicare health insurance. Mr. Koons stated that Medicare Part A Hospitalization Coverage has no premium cost associated with it. He added that Medicare Part B Physician Coverage has a cost of $99.90 per month, Medicare Part D Medication Coverage offered by United Healthcare has a cost of $40.80 per month cost and Medicare Part F Supplemental Coverage offered by United Healthcare has a cost of $161.75 per month with the total cost for Parts B, D an F being $302.45 per month.

Mr. Koons stated that since 100 percent of Medicare premiums are less than 75 percent of United Healthcare Insurance Plan 9FU premiums, the Executive Committee recommended that the Council offer employees 65 years of age or older the option of enrolling in the Council United Healthcare Insurance Plan 9FU with the Council paying 75 percent of the premium and the employee paying 25 percent of the premium for employee or employee and spouse coverage or enrolling in Medicare Part B and Medicare Part D and F offered by United Healthcare and having the Council pay 100 percent of the premium for employee coverage.

ACTION: Vice-Mayor Spooner made the motion, with a second by Councilman Bryant to offer employees 65 years of age or older the option of enrolling in the United Healthcare Insurance Plan 9FU with the Council paying 75 percent of the premium and the employee paying 25 percent of the premium for employee or employee and spouse coverage or enrolling in Medicare Part B and Medicare Part D and F offered by United Healthcare and having the Council pay 100 percent of the premium for employee coverage. The motion carried unanimously.
