

Archer Road/SW 16th Ave.

Archer Road (SR 24)/SW 16th Avenue (SR 226) PD&E Study

PRESENTATION TO METROPOLITAN TRANSPORTATION PLANNING ORGANIZATION (MTPO)

Kimley-Horn
and Associates, Inc.

Archer Road

Archer Road (SR 24)/SW 16th Avenue (SR 226) PD&E Study

Project Development & Environment (PD&E) Study

The objectives of a PD&E study are to perform necessary social, environmental, and engineering studies of a proposed transportation improvement to support decisions concerning whether and where it should be built and what will be the basic design concepts.

Archer Road

Archer Road (SR 24)/SW 16th Avenue (SR 226) PD&E Study

Purpose of This Meeting

- Provide you with an update of the project
- Present the Preferred Alternative
- Obtain your input

Archer Road

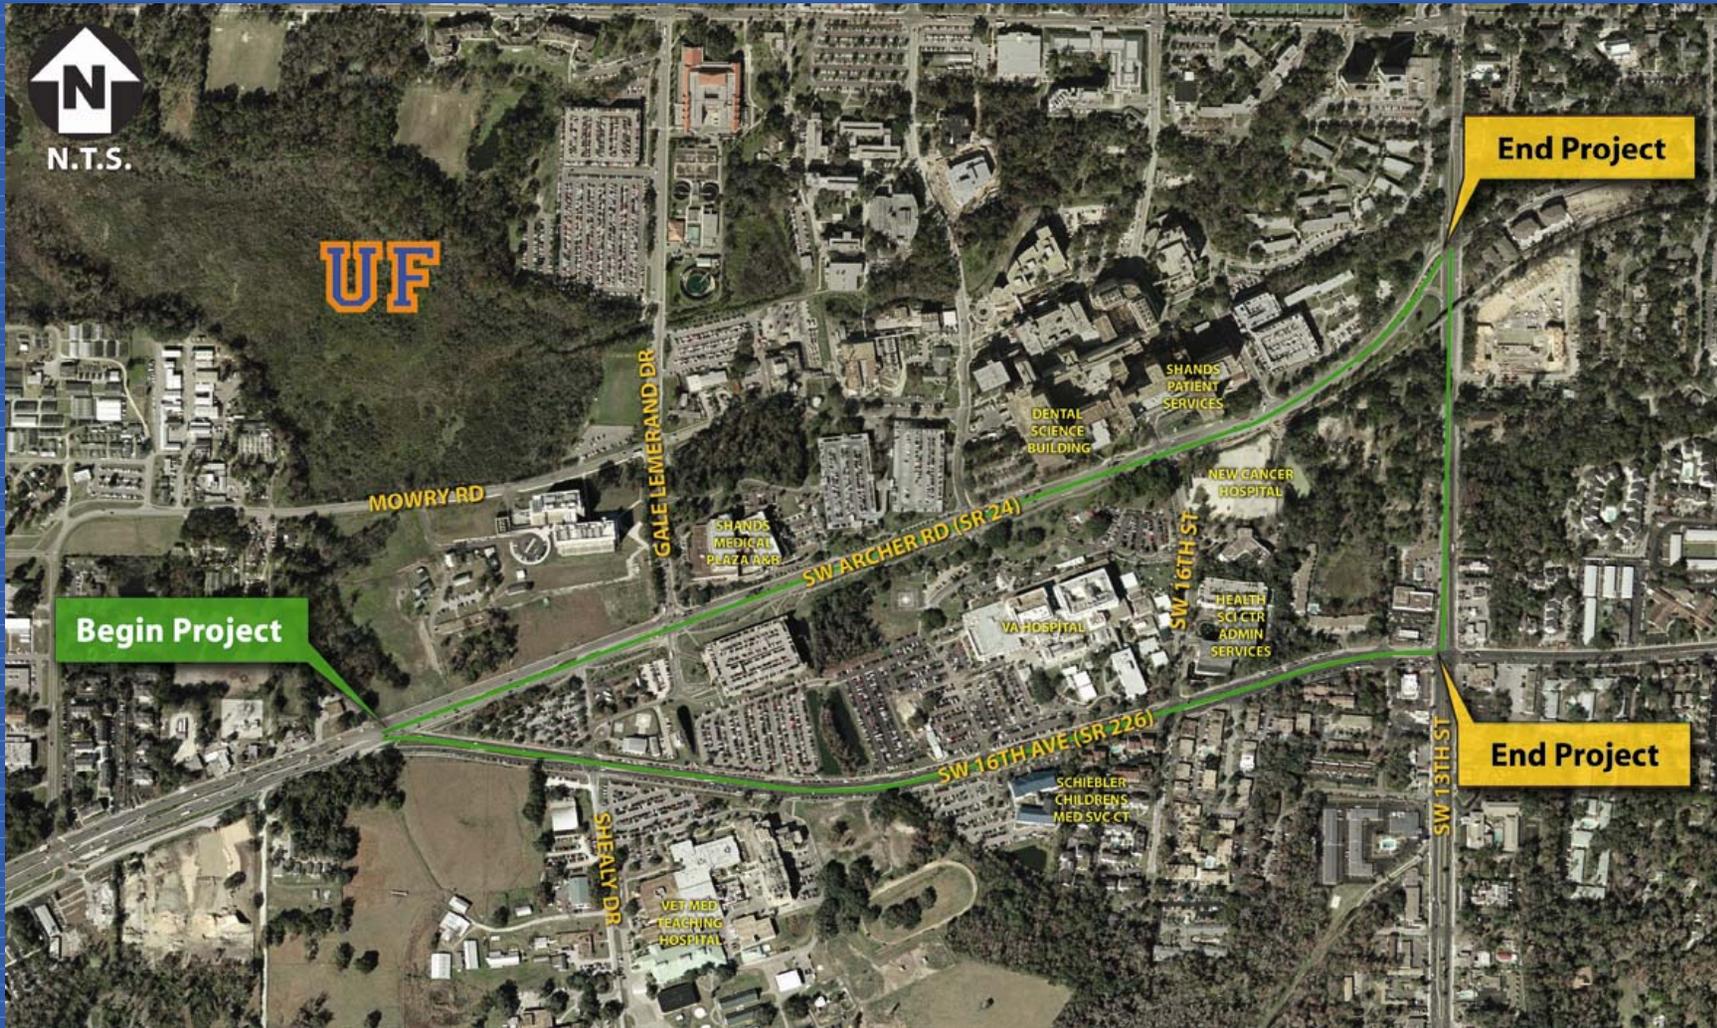

Archer Road (SR 24)/SW 16th Avenue (SR 226) PD&E Study

Purpose and Need for this Project

- High mix of pedestrian travel and vehicles on Archer Road
- Prove that SW 16th Avenue and SW 13th Street can accommodate future traffic demand.
- Provide improvements that enhance the operation of the transportation system and improve safety.
