The Gainesville City Commission and the Alachua County Commission [sitting together as the Metropolitan Transportation Planning Organization for the Gainesville Urbanized Area (MTPO)] are developing the Year 2040 Livable Community Reinvestment Plan Update for the Gainesville Metropolitan Area. The Needs Plan Public Hearing is the first of two public hearings in this two-year study. This public hearing is your opportunity to provide input concerning the future transportation system projects to be included in the Year 2040 Long Range Transportation Needs Plans before they are approved by the MTPO. The MTPO encourages your participation in its long range transportation planning process. Get involved in deciding future multimodal [bicycle, pedestrian, roadway and transit] transportation projects. Come to this public hearing and share your ideas.
