

FISCAL YEARS
2010/2011 - 2014/2015

DRAFT

LIST OF PRIORITY PROJECTS
(FEDERAL, STATE AND LOCAL)

Approved by the
Metropolitan Transportation Planning Organization (MTPO)
for the Gainesville Urbanized Area
2009 NW 67th Place, Suite A
Gainesville, Florida

Scherwin L. Henry, Chair

The preparation of this report has been financed in part through grants from the Federal Highway Administration and Federal Transit Administration, U.S. Department of Transportation, under the State Planning and Research Program, Section 505 [or Metropolitan Planning Program, Section 104(f)] of Title 23, U.S. Code. The contents of this report do not necessarily reflect the official views or policy of the U.S. Department of Transportation.

June, 2009

I

INTRODUCTION

Each Spring, the Metropolitan Transportation Planning Organization (MTPO) for the Gainesville Urbanized Area approves a five-year program for transportation system modification projects to be funded with federal, state and local funds. This five-year program is referred to as the “Transportation Improvement Program (TIP).”

The process that is used to develop the TIP is described in Illustration I. As show in this illustration, the TIP has the following three phases:

- Summer- MTPO approves priority lists for projects it wants Florida Department of Transportation (FDOT) to fund;
- Late Fall- FDOT reports to the MTPO what projects it proposes to fund; and
- Spring- MTPO decides which federally-funded projects to approve.

PURPOSE

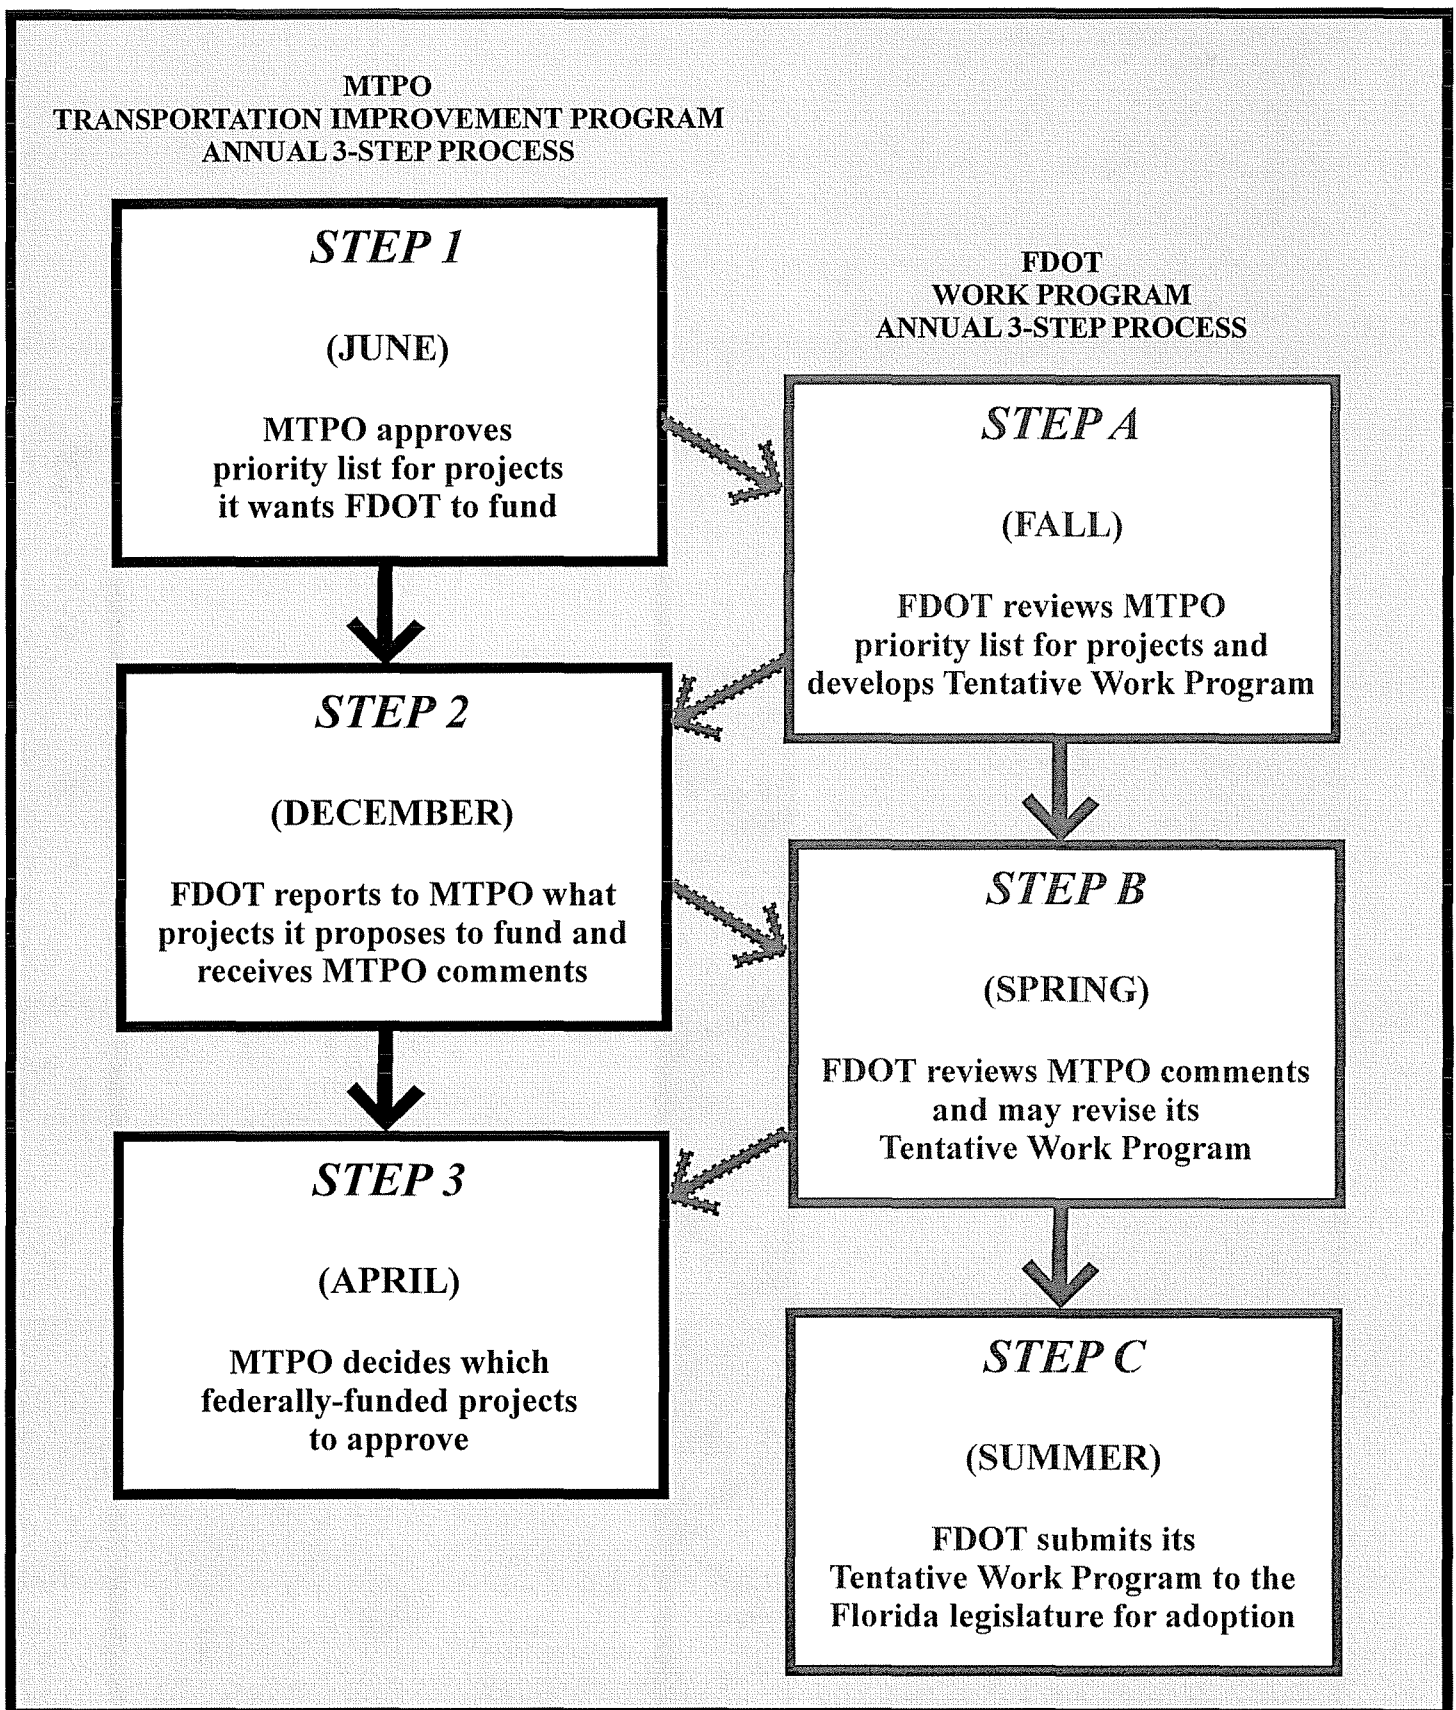

This report develops a list of needed, but unfunded, transportation projects. The projects listed later in this report are determined by the MTPO to be necessary to effectively implement the adopted long range transportation plan. Projects selected for funding will be incorporated into the MTPO’s Fiscal Years 2010/2011 - 2014/2015 TIP.

METHODOLOGY

The following methodology has been used to establish the priorities contained in this report:

- March- draft report distributed to the MTPO Advisory Committees that identifies transportation priorities submitted last year and, of those, which ones were funded;
- May- MTPO Advisory Committees develop recommended transportation priorities for the coming year; and
- June- MTPO approves transportation priorities for the coming year and submits a “List of Priority Projects” to FDOT.

ILLUSTRATION I
MTPO CALENDAR

DEVELOPMENT

Section 134 (f) of title 23, United States Code states that, in developing transportation programs, metropolitan planning organizations shall consider the eight contained in Appendix A. These areas have been considered in the development of the project priorities contained in this report.

TRANSPORTATION SYSTEM MODIFICATIONS SELECTED FROM THE GAINESVILLE METROPOLITAN AREA 2025 TRANSPORTATION PLAN- THE LIVABLE COMMUNITY REINVESTMENT PLAN

The transportation system modifications that have been identified as priorities from the adopted Livable Community Reinvestment Plan are listed in the Public Transportation Priorities, Surface Transportation Program Fund Priorities and Traffic Operations Priorities project tables.

RELATIONSHIP TO THE MANAGEMENT SYSTEMS

The transportation priorities contained in this report are developed from available information from the management systems required for the Gainesville Metropolitan Area as a result of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU). The congestion management system (CMS) for the Gainesville Metropolitan Area was fully operational by October 1, 1997.

MTPO URBAN DESIGN POLICIES

The MTPO has, over the years, adopted various urban design and streetscape policies. These policies have been consolidated into a document entitled “MTPO Urban Design Policy Manual.” Therefore, unless otherwise stated within this “List of Priority Projects” document, all priority project recommendations shall be in conformance with the “MTPO Urban Design Policy Manual” document.

PUBLIC INVOLVEMENT AND SERVICE EQUITY

Citizen involvement in the TIP three-step process is promoted through the MTPO's Public Involvement Process which was developed and adopted pursuant to 23 CFR 450.316(b)(1) requirements. The MTPO's Public Involvement Plan describes a process to involve the public, including private transportation operators, in the transportation planning process, including the annual development of the TIP, in accordance with Chapter 339.175(7), Florida Statutes. In addition, the MTPO's Public Involvement Plan includes strategies to address service equity, including outreach to socioeconomic communities that have traditionally been underrepresented in the transportation planning process. The MTPO sponsors workshops and charrettes, as necessary, regarding projects in the TIP.

MTPO staff provides local news media notification of meetings when the List of Priority Projects is scheduled for review and approval by the MTPO and its Advisory Committees, thereby providing citizens an opportunity to participate in the development of the List of Priority Projects. To inform the general public and other interested persons who may want to review and comment on the List of Priority Projects, public notice is also provided through the Clerk of the City of Gainesville, who places meeting notices on City's Community Calendar and in the local newspaper's listing of public meetings of the week.

FREIGHT SHIPPERS

The MTPO maintains a database of freight shippers that serve and/or are based in the Gainesville Metropolitan Area. Correspondence is sent to the freight shippers inviting them to participate in the development of the TIP. Freight shippers are notified of the MTPO meeting dates when the List of Priority Projects and the TIP documents are considered by the MTPO.

PUBLIC TRANSPORTATION USERS

The MTPO coordinates with Regional Transit System (RTS) staff for public involvement in the development of the TIP. The Regional Transit System Advisory Board provides input for transit projects to be included in the List of Priority Projects. In addition, RTS staff conducts transit forums to gather public input. The Alachua County Transportation Disadvantaged Coordinating Board (ACTDCB), which includes public transportation users, provides input for transportation disadvantaged projects to be included in the List of Priority Projects. Each year, MTPO staff solicits input from RTS and ACTDCB for projects to be included in the List of Priority Projects.

SAFETY AND SECURITY IN THE TRANSPORTATION PLANNING PROCESS

The Florida Department of Transportation supports a network of Community Traffic Safety Teams. These Teams are comprised of state and local technical expertise for transportation system management and planning, public safety, including police and fire personnel, and education. In addition to MTPO staff, the Alachua County Traffic Safety Team (ACTST) is comprised of representatives from:

STATE OF FLORIDA	ALACHUA COUNTY	CITY OF GAINESVILLE
Florida Department of Transportation	Alachua County Fire Rescue	Gainesville Fire Rescue
Florida Highway Patrol	Alachua County School Board	Gainesville Police Department
University of Florida (UF) T ² Center	Alachua County Sheriff's Office	Public Works Department
UF Facilities Planning & Construction	Public Works Department	

The MTPO receives ACTST recommendations for safety-funded projects in the List of Priority Projects. Currently, the focus of transportation system security is on airport facilities.

II

PROJECT PRIORITIES

ENHANCEMENT PRIORITIES

Table 1 identifies enhancement project priorities for the Fiscal Years 2010/2011 - 2014/2015 TIP.

INTELLIGENT TRANSPORTATION SYSTEM (ITS) PRIORITIES

Table 2 identifies ITS project priorities for the Fiscal Years 2010/2011 - 2014/2015 TIP.

LANDSCAPING PRIORITIES

Table 3 identifies landscaping project priorities for the Fiscal Years 2010/2011 - 2014/2015 TIP.

PROJECT, DEVELOPMENT AND ENVIRONMENT (PD&E) STUDY PRIORITIES

Table 4 identifies PD&E study project priorities for the Fiscal Years 2010/2011 - 2014/2015 TIP.

PUBLIC TRANSPORTATION PRIORITIES

Table 5 identifies public transportation project priorities. This category includes: commuter assistance projects; intermodal facility projects; park-and-ride facility projects railroad right-of-way projects; transit system projects for the Fiscal Years 2010/2011 - 2014/2015.

RIGHT-OF-WAY PRIORITIES

Table 6 identifies right-of-way project priorities for the Fiscal Years 2010/2011 - 2014/2015 TIP.

SAFE ROUTES TO SCHOOL PRIORITIES

Table 7 identifies transportation safe routes to school project priorities developed by the Bicycle/Pedestrian Advisory Board (B/PAB) and Alachua County Traffic Safety Team (ACTST) for the Fiscal Years 2010/2011 - 2014/2015 TIP.

SAFETY PRIORITIES

Table 8 identifies transportation safety project priorities developed by the Technical Advisory Committee (TAC) and Alachua County Traffic Safety Team (ACTST) for the Fiscal Years 2010/2011 - 2014/2015 TIP.

STRATEGIC INTERMODAL SYSTEM (SIS) PRIORITIES

Table 9 identifies SIS project priorities for the Fiscal Years 2010/2011 - 2014/2015 TIP.

SURFACE TRANSPORTATION PROGRAM (STP) FUND PRIORITIES

Table 10 identifies STP-eligible capacity modification priorities. This category includes: bicycle facility projects; Non-State resurfacing projects; pedestrian facility (including school safety concern) projects; road construction and reconstruction projects; streetlighting; and additional public transportation, traffic operations and transportation disadvantaged projects for the Fiscal Years 2010/2011 - 2014/2015 TIP.

TRAFFIC OPERATIONS PRIORITIES

Table 11 identifies traffic operations project priorities. This category includes: congestion management system (CMS) projects; intelligent transportation system (ITS) projects; and intersection modification projects for the Fiscal Years 2010/2011 - 2014/2015 TIP.

TRANSIT CORRIDOR DEVELOPMENT PRIORITIES

Table 12 identifies transit corridor development project priorities for the Fiscal Years 2010/2011 - 2014/2015 TIP.

TRANSPORTATION DISADVANTAGED PRIORITIES

Table 13, Table 14, Table 15 and Table 16 identify transportation disadvantaged project priorities for the Fiscal Years 2010/2011 - 2014/2015 TIP.

TRANSPORTATION REGIONAL INCENTIVE PROGRAM (TRIP) PRIORITIES

Table 17 identifies TRIP project priorities for the Fiscal Years 2010/2011 - 2014/2015 TIP.

SAFE ROUTES TO SCHOOL* PRIORITIES
(within the Gainesville Metropolitan Area)**

(Note: Projects in *italic text* are partially funded, as identified in the Transportation Improvement Program.)

NUMBER	PROJECT	LOCATION	DESCRIPTION
1	NE 15 th Street	FM: NE 39 th Avenue TO: 4400 Block	Construct sidewalk to fill in sidewalk gap
2	NE 8 th Avenue	FM: NE 25 th Street TO: 2800 Block	Construct pedestrian access to the Horizon Center
3	NE 19 th Place	FM: NE 12 th Street TO: NE 15 th Street	Construct sidewalk
4	NE 19 th Place	FM: NE 9 th Street TO: NE 12 th Street	Construct sidewalk

* Kindergarten through 8th-Grade within a 2-mile radius of a school campus

T:\Mike\tip\priorities\lop0914\LOPskooldft.wpd

TABLE 8

**FISCAL YEARS 2010/2011 - 2014/2015
SAFETY PRIORITIES
(within the Gainesville Metropolitan Area)**

NUMBER	PROJECT	LOCATION	DESCRIPTION
1 <i>Partially Funded</i>	SW 20 th Avenue	AT: SW 61 st Street	Install eastbound left turnlane on SW 20 th Avenue
2	SW 62 nd Boulevard	AT: NW 4 th Place / Oaks Mall entrance	Access management*
3	NW 13 th Street [US 441]	AT: NW 6 th Street [SR 20]	Realign intersection
4	Interstate 75 Interchange	AT: NW 39 th Avenue [SR 222]	Lengthen the northbound exit ramp to NW 39 th Avenue, plus related safety and intersection modifications at Interstate 75 Exit 390

*At this intersection, the observed major crash pattern is angle collisions involving southbound through and eastbound left-turning vehicles. Eastbound vehicles exiting the mall fail to yield the right-of-way and collide with southbound vehicles. This type of crash accounted for 82% of all crashes at this intersection. Peak periods were observed between 1:00 pm to 2:00 pm and 5:00 pm to 6:00 pm. Therefore, explore the possibility of a raised median on NW 62nd Boulevard to restrict turning movements, particularly eastbound left. Traffic exiting the mall traveling towards north has several other exit options with signalized and non-signalized driveways along Newberry Road and a signalized driveway at NW 62nd Street & NW 1st Place.

T:\Mike\tp\priorities\lop0914\LOPSFTYdfib.wpd

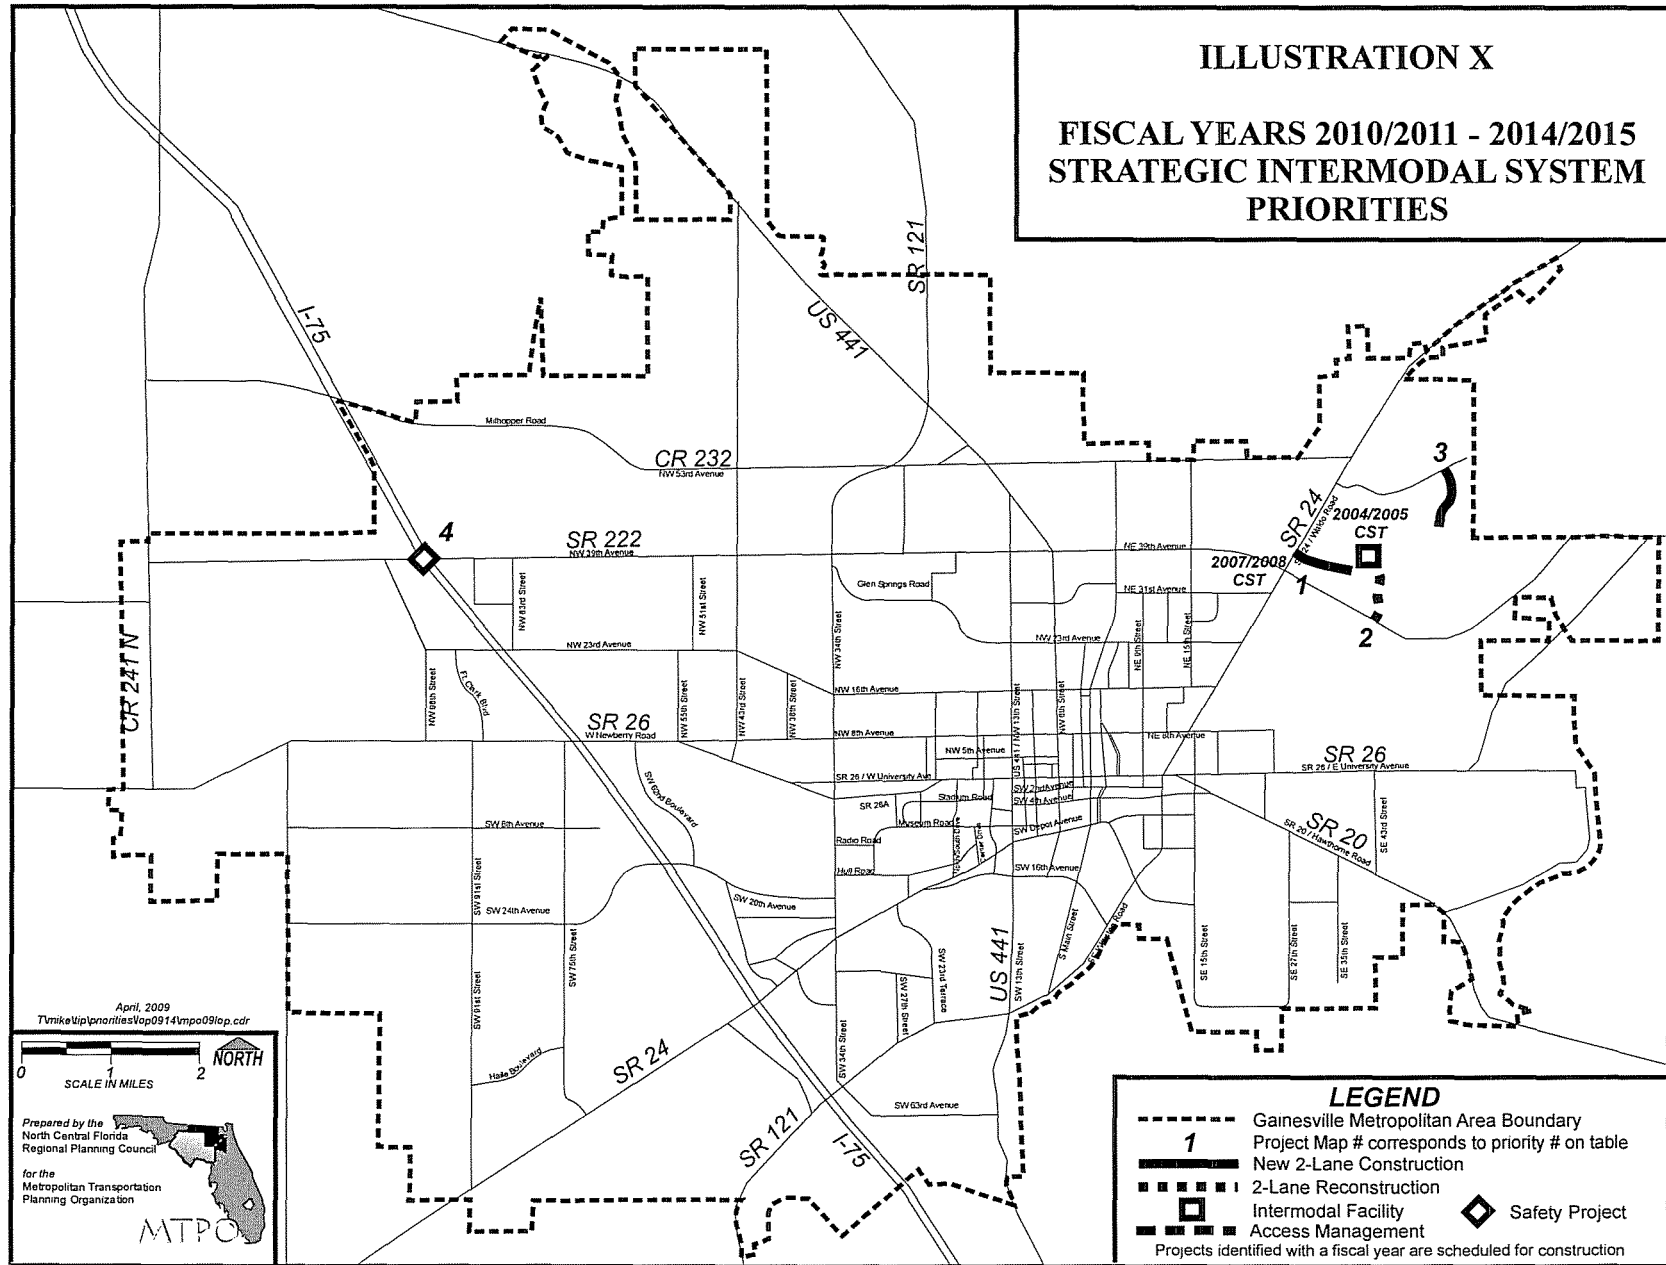

TABLE 9

FISCAL YEARS 2010/2011 - 2014/2015
STRATEGIC INTERMODAL SYSTEM PRIORITIES
(within the Gainesville Metropolitan Area)

(Note: Projects in italic text are partially funded, as identified in the Transportation Improvement Program.)

NUMBER	PROJECT	LOCATION	DESCRIPTION
<i>1</i> Partially Funded	<i>New gateway entrance to the Gainesville Regional Airport from Waldo Road [SR 24]</i>	<i>FM: Waldo Road [SR 24] TO: Airport Terminal (north of 39th Avenue [SR 222])</i>	<i>Ingress-egress to the airline terminal and modal connectivity to the north central Florida region</i>
2	NE 39 th Avenue [SR 222] access to airport	FM: NE 39 th Avenue [SR 222] TO: Airport Terminal (Gainesville Regional Airport)	Reconfigure ingress-egress, improve curb-and-gutter system, add bike lanes and sidewalks, install stormwater drainage, install traffic guidance system of signs and signals
3	Extension of Airport Industrial Park Road	FM: airport service road TO: NE 49 th Road (east end of Airport Industrial Park)	Extend existing service road to provide access to Waldo Road (Extend existing access road through east end of Airport Industrial Park, from Waldo Road [SR 24])
4	Interstate 75 Interchange	AT: NW 39 th Avenue [SR 222]	Lengthen the northbound exit ramp to NW 39 th Avenue, plus related safety and intersection modifications at Interstate 75 Exit 390

Note: The MTPO endorses the priorities #1, #2, and #3 listed above:

1. provided they do not compete with roadway capacity construction funding typically available from the Surface Transportation Program (STP); and
2. with the understanding that these funds do not come from existing funds that could be used for other projects within the Gainesville Metropolitan Area.

**FISCAL YEARS 2010/2011 - 2014/2015
TRANSPORTATION DISADVANTAGED PRIORITIES-
TRANSPORTATION DISADVANTAGED TRUST FUND
(Alachua County Areas Outside of the Gainesville Metropolitan Area)**

NUMBER	PROJECT	LOCATION	DESCRIPTION
1	Provision of paratransit trips for vital medical purposes (dialysis, cancer care).	Areas outside of the Gainesville Metropolitan Area	Provide paratransit trips to eligible individuals with state TD Trust Funds.
2	Provision of paratransit trips for medical purposes (doctor appointments, pharmacy, physical therapy).	Areas outside of the Gainesville Metropolitan Area	Provide paratransit trips to eligible individuals with state TD Trust Funds.
3	Provision of paratransit trips for employment purposes.	Areas outside of the Gainesville Metropolitan Area	Provide paratransit trips to eligible individuals with state TD Trust Funds.
4	Provision of paratransit trips for shopping purposes.	Areas outside of the Gainesville Metropolitan Area	Provide paratransit trips to eligible individuals with state TD Trust Funds.
5	CTC ¹ Paratransit Van Fleet Expansion- TD Trust Funds	Countywide	Purchase two lift-equipped paratransit vans each year with any TD Trust Funds remaining after all TD Trust Fund paratransit trip priorities have been fulfilled.

- Notes: 1. The grant funds allocated from the TD Trust Fund are for the specific purpose of purchasing passenger trips for non-sponsored transportation disadvantaged individuals, or for equipment to be utilized by a CTC. Twenty-five percent of the TD Trust Fund allocation may be spent to purchase capital equipment.
2. The Alachua County Transportation Disadvantaged Coordinating Board, in cooperation with the CTC, prioritize the use of the state TD Trust Funds. The current and past TD Trust Fund allocations are sufficient to provide trips under priorities 1 and 2 on a first come, first served basis.

¹ CTC- Community Transportation Coordinator

APPENDIX A

TRANSPORTATION PLANS AND PROGRAMS- EIGHT METROPOLITAN PLANNING FACTORS TO BE CONSIDERED

The following is a listing of the factors to be considered in the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU) that was enacted August 10, 2005 as Public Law 109-59. As required by SAFETEA-LU, these factors are being addressed in the development of transportation plans and programs.

- FACTOR 1 The metropolitan transportation planning process shall provide for consideration of projects and strategies that will support the economic vitality of the metropolitan area, especially by enabling global competitiveness, productivity, and efficiency;
- FACTOR 2 The metropolitan transportation planning process shall provide for consideration of projects and strategies that will increase the safety of the transportation system for motorized and nonmotorized users;
- FACTOR 3 The metropolitan transportation planning process shall provide for consideration of projects and strategies that will increase the security of the transportation system for motorized and nonmotorized users;
- FACTOR 4 The metropolitan transportation planning process shall provide for consideration of projects and strategies that will increase the accessibility and mobility options available to people and for freight;
- FACTOR 5 The metropolitan transportation planning process shall provide for consideration of projects and strategies that will protect and enhance the environment, promote energy conservation, and improve quality of life;
- FACTOR 6 The metropolitan transportation planning process shall provide for consideration of projects and strategies that will enhance the integration and connectivity of the transportation system, across and between modes, for people and freight;
- FACTOR 7 The metropolitan transportation planning process shall provide for consideration of projects and strategies that will promote efficient system management and operation; and
- FACTOR 8 The metropolitan transportation planning process shall provide for consideration of projects and strategies that will emphasize the preservation of the existing transportation system.
